

IMPORTANT INFORMATION FOR GROUPS AND BUS COMPANIES

A visit to the PANEUM is possible by appointment only. Guided tours can be booked during the week and also on Saturdays. Please contact our team telephonically at +43 7224 8821 400 or by email to empfang@paneum.at.

Opening hours: Monday to Saturday, from 10:00 to 16:00 (last admission 15:00).

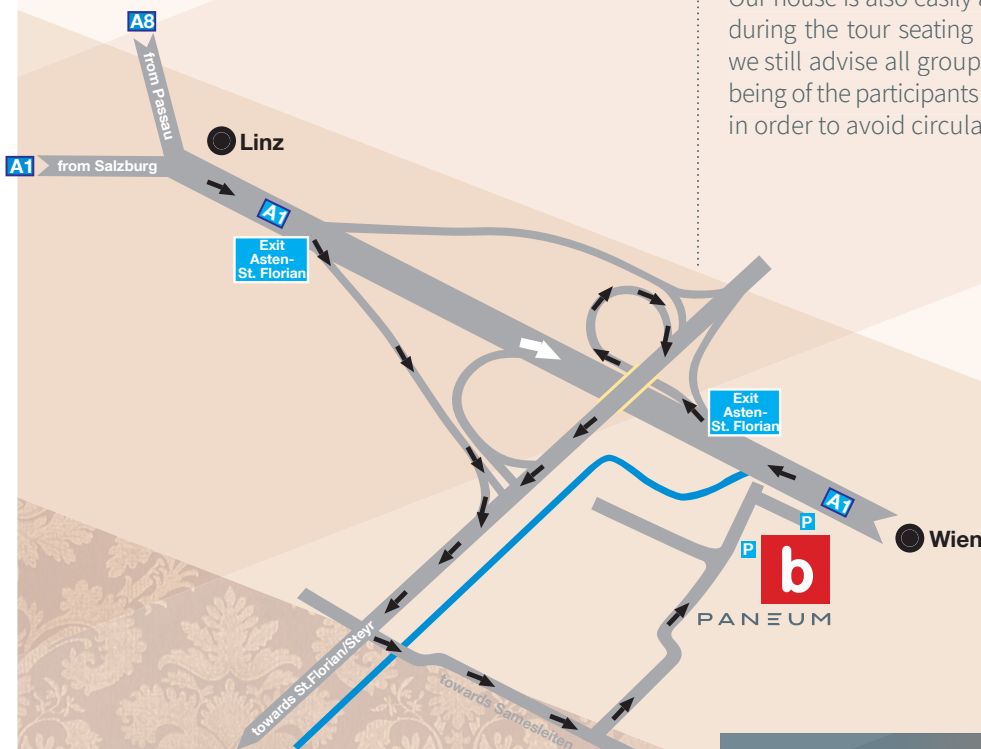

For guided tours at 10 a.m., the group will be admitted at least 5 minutes before the start of the tour. Please note that dogs are not allowed in the PANEUM! Our group rate is €7.50 per person (incl. admission and guided tour) and applies to groups with 10 people

In accordance with the current COVID regulations, a maximum of 35 people are permitted per appointment – 20 people in 2 groups of 10 people each, as part of a guided tour. Any other visitors may explore the PANEUM individually with the use of an audio guide (multilingual).

There is generally no guided tour with fewer than 8 people. Please let our team know 1 week in advance should there be any changes to your reservation. These would be e.g. cancellations or rescheduling, and number of participants. Due to lack of space, the PANEUM does not have its own café.

Our team would be happy to provide you with information about refreshment stops in and around Asten and St. Florian so that you can refresh yourself before or after a tour.

Our house is also easily accessible by walker / wheelchair and during the tour seating can be found on all floors. However, we still advise all group leaders to ensure the physical well-being of the participants (enough breaks, refreshment stops ...) in order to avoid circulatory problems.

Directions:

Directly on the A1 motorway, exit Asten / St. Florian, approx. 1 km towards St. Florian, turn left and follow the signs to the PANEUM or backaldrin. We have sufficient free parking spaces for cars and buses (marked with a sign directly in front of the PANEUM).

Note for older navigation systems:

Kornspitzstraße 1 was formerly called Florianistraße 1.
